**LETTER OF SUPPORT
The Panelka Project**

To Whom It May Concern

Estonian Embassy in London engages to promote the Panelka Project, a collaboration between the Ukrainian artist Dasha Podoltseva and the Explore The Arch theatre company's artistic director Gail Borrow (UK).

Together with other EUNIC London members, Estonian Embassy in London will give full support to the Ukrainian Institute in London at times of war and extreme difficulties.

We hope that the EUNIC Global Culture of Solidarity EUNIC Ukraine Fund will be able to support The Panelka Project.
